CBA Alumni Week	March 16 - 22
Honors Convocation	March 22
Last day to withdraw	March 26
UDM Spring Career Fair	March 31
Easter Recess University Closed	April 3 - 5

Alumni Week will take place during the week of March 16 – 22, with alumni and alumnae guest lecturers in many business classes. The keynote event will be a presentation on Cybersecurity: Crimes & Consequences, by Meredith Phillips, '94, '97 and Dominick Paluzzi, '04, '07. Meredith is the Chief Information Privacy & Security Officer at Henry Ford Health System, where she

oversees all aspects of Henry Ford’s privacy and security operations. As part of this work, she designed and led the HFHS Privacy Program and Data Breach Response Program. An alumna of both the College of Business Administration and the College of Health Professions, Meredith also serves as Vice President of the Medical Identity Fraud Alliance Board. Dominick, an attorney with McDonald Hopkins, advises clients regarding data privacy and cybersecurity measures, including information security programs and responses to data security breaches involving sensitive personal information. He works with federal, state and local authorities, as well as third party vendors, throughout the breach notification process, and has litigated matters involving numerous industries, including education, healthcare, hospitality, retail, automotive, accounting, finance, information technology, and others. An alumnus of both the College of Business Administration and the School of Law, Dominic is a past president of the CBA Alumni Board. The keynote event will be held on Tuesday, March 17, beginning with a luncheon in the President’s Dining Room at noon (please RSVP to Lysandra.hill@udmercy.edu by 3/13 to attend), followed by the panel discussion at 1:00pm in the Fountain Lounge. All are invited and encouraged to attend this important and timely discussion.
